Season two will explore the building of Jesus’ group of disciples and the personal and interpersonal pros and cons of Jesus’ growing notoriety as they take their ministry on the road.

“Between COVID-19 and the fact that we’re doing this outside the system, it has been a challenge to know exactly how and where we can produce season two for the fans. But those are also the reasons we feel such urgency to get the stories of Jesus to the world as soon as possible. Our fans’ generosity is allowing us to overcome these hurdles,” said Dallas Jenkins, Director of The Chosen
